This is a Combined Synopsis/Solicitation (CSS) for commercial items prepared in accordance with the format in the Federal Acquisition Regulation (FAR) Part 12 Acquisition of Commercial Items and Part 13.5 Test Program for Certain Commercial Items, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation. Request for Proposals (RFP) are being requested and a written solicitation will not be issued. The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular (FAC) 2005-03 dated 11 April 2005 and Defense Federal Acquisition Regulation (DFAR) Supplement, 1998 edition, current to DCN 20050509. This acquisition is unrestricted. The North American Industry Classification System (NAICS) is 541511 with a size standard of \$21M in average annual receipts. All prospective offerors must be actively registered in the Central Contractor Registration. Offerors may register online at <https://www.bpn.gov/CCR/scripts/index.html>. The proposal shall consist of two Contract Line Item Numbers (CLIN) 0001, Quantity: 1, Unit of Issue: Each, Description: VXI Data Acquisition system Software v2.0. CLIN 0002, Quantity 1, Unit of Issue: Lot, Description: Integrated Ballistic Data System. Each Statement of Work (SOW) for CLINs 0001 and 0002 are located at the U.S. Army Contracting Agency Yuma web site www.yuma.army.mil/contracting/rfp.html. The contract award will be firm fixed price. Vendors shall include all transportation costs in their proposals. All proposals shall be clearly marked with Request for Proposal number W9124R-05-T-0038 and emailed to Michael.McDaniel@yuma.army.mil or sent by facsimile to 928-328-6849 no later than 16 Jun 2005, Noon Mountain Standard Time (MST). In addition, all questions concerning this requirement must be emailed to Michael.McDaniel@yuma.army.mil no later than 1 Jun 2005, Noon MST. Arizona vendors are to include the Arizona Transaction Privilege Tax. Offerors that fail to furnish required representations or technical information as required by FAR Clause 52.212-1 cited below or reject the terms and conditions of this solicitation may be excluded from consideration. The following FAR Clauses and Provisions are incorporated by reference and apply to this acquisition. FAR provision 52.212-1 Instructions to Offerors of Commercial Items (Jan 2005). Note: In order to complete the Representations and Certifications for the following referenced provisions you must go to the Air Force Web Site at <http://farsite.hill.af.mil/Vffar1.htm> locate the referenced clause, copy and paste it to a Word Document and complete FAR provision 52.212-3 Offeror Representations and Certifications Commercial Items (Mar 2005) with Alternate I (Apr 2002) and DFAR 252.212-7000 Offeror Representations and Certification Commercial Items (Nov 1995). An offeror shall complete only paragraph (j) of FAR 52.212-3 if the offeror has completed the annual representations and certifications electronically at the Online Representations and Certifications Application (ORCA) web site at <http://orca.bpn.gov>. FAR 52.212-4 Contract Terms and Conditions Commercial Items (Oct 2003). FAR

52.215-5 Facsimile Proposals (Oct 1997). FAR 52.247-34 FOB Destination (Nov 1991). FAR 52.212-2 Evaluation Commercial Items (Jan 1999), Award will be made on a best value basis and the Government reserves the right to award to other than the low offeror. Paragraph a. of provision 52.212-2 is completed as follows: i) Technical Capability – ability to meet Government requirements; ii) Technical Experience working with Labview and Ballistic Data Systems; iii) Company, Management, and Personnel Qualifications and Experience; iv) Past Performance; and v) Price. Technical proposals will be reviewed for compliance with the SOW for CLINs 0001 and 0002. Technical Experience will then be evaluated for experience working with Labview and Ballistic Data Systems. Company, Management, and Personnel Experience and Qualifications will then be evaluated. Past Performance will then be evaluated for all offerors whose Technical Capability, Technical Experience, and Company, Management, and Personnel Qualifications and Experience have been determined acceptable. Price will then be evaluated for offerors whose technical proposal and past performance that have been determined acceptable. Proposals with unreasonable prices will not be considered for technical and past performance evaluations. Unreasonable prices or a history of poor performance can make the most meritorious technical proposal not the best value. Further, as non-price factors tend to equalize, price differences become more significant. Offerors shall include in their proposal, past performance information on at least two other contracts in which they provided same or similar items. Past performance information shall include the following: 1) Contract Number, 2) Company/Agency Name and Address, 3) Point of Contact (Name) with Phone Number and Email Address and 4) Brief Synopsis of Project to include price.
